I. BACKGROUND

1. The United States of America, on behalf of the Administrator of the United States Environmental Protection Agency (EPA), and the State Plaintiffs, the New Jersey Department of Environmental Protection and the Administrator of the New Jersey Spill Compensation Fund (collectively, the Plaintiffs), filed complaints in this consolidated matter pursuant to Sections 106 and 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (CERCLA), 42 U.S.C. §§ 9606 and 9607, as well as pursuant to various State statutes, including the New Jersey Spill Compensation and Control Act, N.J.S.A. 58:10-23 *et seq.* (Spill Act), the New Jersey Sanitary Landfill Closure and Contingency Fund Act, N.J.S.A. 13:1E-100 *et seq.* (Sanitary Landfill Closure Act) and the New Jersey Water Pollution Control Act, N.J.S.A. 58:10A-1 *et seq.* (WPCA), seeking injunctive relief regarding the cleanup of the Combe Fill South Landfill Superfund Site in Chester, New Jersey (the Site), recovery of costs incurred and to be incurred in responding to the release or threat of release of hazardous substances at or in connection with the Site (Response Costs) and compensation for damages to natural resources as a result of contamination at the Site.

2. Waste Management, Garbco Associates, Inc. (or Garbco) f/k/a J. Filiberto Sanitation, Inc., Chester Hills, Inc., Joseph B. Filiberto and John C. Filiberto in entering into this Consent Decree (Decree) do not admit any liability to Plaintiffs arising out of the transactions or occurrences alleged in the complaints.

3. The United States and State Plaintiffs have reviewed the Financial Information submitted by the Settling Defendants to determine whether, and to what extent, the Settling Defendants are financially able to pay response costs and damages incurred and to be incurred at the Site. Based upon this Financial Information, the Plaintiffs have determined that the Settling Defendants are able to pay the amounts specified in Section VI, based upon each of the Settling Defendant's specific ability-to-pay, including available insurance coverage. In return for releasing certain indemnification claims, Waste Management will receive a limited credit and contribution protection if it is found to be a successor to any Settling Defendant(s).

4. The Settling Defendants represent that the total amount received in settlement with their insurance carriers, not including any contingency payment to their counsel nor legal expenses incurred by the Settling Defendants, is \$13,645,795.81 as of March 1, 2005. Settling Defendants further represent, by signing this Consent Decree, that they have received signed agreements from their insurers, pursuant to which they will receive all necessary monies to pay the amounts specified in Section VI to the United States and State Plaintiffs. The Settling Defendants will maintain the monies received from their insurance carriers in escrow accounts, as required by the terms of this Decree. These escrow accounts will be used to pay the amounts specified in Section VI of this Decree.

5. The Plaintiffs and Settling Defendants agree, and this Court by entering this Decree finds, that this Decree has been negotiated by the Parties in good faith; that settlement of this matter will avoid prolonged and complicated litigation between the Parties, and that this Decree is fair,

20. If the United States and/or the State Plaintiffs prevail in an action to enforce this Decree, Settling Defendants shall reimburse the United States and the State Plaintiffs for all costs of such action, including but not limited to costs of attorney time.

21. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiffs by virtue of Settling Defendants' failure to comply with the requirements of this Decree.

22. Notwithstanding any other provision of this Section, the United States and/or the State Plaintiffs may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Decree. Payment of stipulated penalties shall not excuse Settling Defendants from payment as required by Section VI or from performance of any other requirements of this Decree.

VIII. COVENANT NOT TO SUE BY PLAINTIFFS

23. Except as specifically provided in Section IX (Reservation of Rights by Plaintiffs), the United States and State Plaintiffs covenant not to sue or to take administrative action against Settling Defendants with regard to the Site, including, but not limited to any action pursuant to Sections 106, 107(a), and 113 of CERCLA, 42 U.S.C. §§ 9606, 9607(a) and 9613, for any federal or State claim for Natural Resource Damages, or for any claim for relief by the State Plaintiffs pursuant to the New Jersey Spill Compensation and Control Act, New Jersey Sanitary Landfill Closure and Contingency Fund Act, and/or the New Jersey Water Pollution Control Act. With respect to present and future liability, this Covenant shall take effect upon receipt by EPA and the State Plaintiffs of all amounts required by Section VI (Escrow and Payment of Response Costs) and any amount due under Section VII (Failure to Comply with Decree). This Covenant Not to Sue is conditioned upon the satisfactory performance by Settling Defendants of all their obligations under this Decree. This Covenant Not to Sue is also conditioned upon the veracity and completeness of the Financial Information provided to the United States and the State Plaintiffs by the Settling Defendants. Subject to the limitations on cost recovery provided by Section 114(b) of CERCLA, 42 U.S.C. § 9614(b), if the Financial Information is subsequently determined by a court of competent jurisdiction to be false or, in any material respect, inaccurate, Settling Defendants shall forfeit all payments made pursuant to this Decree and this Covenant Not to Sue and the Contribution Protection in Section XI (Effect of Settlement/Contribution Protection) shall be null and void. Such forfeiture shall not constitute liquidated damages and shall not in any way foreclose the right of either the United States or State Plaintiffs to pursue any other claims, including any arising from Settling Defendants' false or materially inaccurate information. Notwithstanding, Settling Defendants shall receive a credit for those monies paid pursuant to Section VI (Escrow and Payment of Response Costs) against their liability to United States and State Plaintiffs arising in this consolidated action. This Covenant Not to Sue extends only to the Settling Defendants and does not extend to any other person, including any successors to Garbco, J. Filiberto Sanitation, Inc., Chester Hills, Inc., John C. Filiberto, and/or Joseph B. Filiberto.

IX. RESERVATION OF RIGHTS BY PLAINTIFFS

24. The United States and State Plaintiffs reserve, and this Decree is without prejudice to, all rights against the Settling Defendants with respect to all matters not expressly included within

the Covenant Not to Sue in the preceding Section. Notwithstanding any other provision of this Decree, the United States and State Plaintiffs reserve all rights against Settling Defendants with respect to:

- a. liability for failure of Settling Defendant(s) to meet a requirement of this Decree;
- b. criminal liability;
- c. liability by the Settling Defendants, based upon Settling Defendants' ownership or operation of the Site or their transportation, treatment, storage, or disposal, or the arrangement for the transportation, treatment, storage, or disposal, of a hazardous substance, pollutant, contaminant or solid waste at or in connection with the Site, after signature of this Decree; and
- d. liability arising from the past, present, or future disposal, discharge, release or threat of release of a hazardous substance, pollutant, contaminant or solid waste outside the Site.

25. Notwithstanding any other provision of this Decree, the United States and State Plaintiffs reserve, and this Decree is without prejudice to, the right to reinstitute or reopen this action, or to commence a new action seeking relief other than as provided in this Decree, if the Financial Information provided by Settling Defendants, or the certification made by the Settling Defendants in Section XII (Retention of Records and Certification) Paragraph 35(c), is determined by a court of competent jurisdiction to be false or, in any material respect, inaccurate.

26. Subject to any credit provided by Paragraph 16, the United States and State Plaintiffs reserve, and this Decree is without prejudice to, all rights against any successor, by merger or otherwise, to J. Filiberto Sanitation, Inc., Chester Hills, Inc., John C. Filiberto, and/or Joseph B. Filiberto.

X. COVENANT NOT TO SUE BY SETTLING DEFENDANTS

27. Settling Defendants Covenant Not to Sue and agree not to assert any claim for relief against the United States or the State Plaintiffs, or their contractors or employees, with respect to the Site or this Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from or against the Hazardous Substance Superfund or the New Jersey Spill Fund, based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613; N.J.S.A. 58:10-23.11k, *et seq.*; the Sanitary Landfill Contingency Fund, based on N.J.S.A. 13:1E-105, *et seq.*; or any other provision of law;
- b. any claim against the United States or the State Plaintiffs arising out of response actions at or in connection with the Site, including claims under the United States Constitution, the New Jersey Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, as amended, or common law; or

c. any claim against the United States or State Plaintiffs pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, or any State claim for relief, relating to the Site.

Except as provided in Paragraph 29 of this Section and Paragraph 34 of Section XI (Effect of Settlement/Contribution Protection), these Covenants Not to Sue shall not apply in the event the United States or the State Plaintiffs bring a claim for relief or issue an order pursuant to the reservations set forth in Section IX (Reservation of Rights by Plaintiffs), but only to the extent that Settling Defendants' claims arise from the same response action or response costs that the United States or the State Plaintiffs are seeking pursuant to the applicable reservation. Nothing in this Paragraph shall prevent Settling Defendants from taking action to enforce any provision of this Decree.

28. Nothing in this Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

29. Settling Defendants agree not to assert any CERCLA claims for relief that they may have for all matters relating to the Site, including for contribution, against any other person. This waiver shall not apply with respect to any defense, claim, or claim for relief that Settling Defendants may have against any person if such person asserts a claim for relief relating to the Site against any Settling Defendant.

XI. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

30. Except as provided in this Decree, nothing herein shall be construed to create any rights in, or grant any claims for relief to, any person not a Party to this Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Decree may have under applicable law. Except as provided in the preceding Paragraph, the Parties expressly reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and claim for relief which they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

31. Contribution Protection.

a. Subject to the applicable requirements of Section 107(e) of CERCLA, 42 U.S.C. § 9607(c), the Parties agree, and by entering this Decree this Court finds, that each Settling Defendant is entitled, as of the date of entry of this Decree, to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. 9613(f)(2) and 9622(g)(5), for matters addressed in this Decree. The Parties further agree that each Settling Defendant is entitled, as of the date of entry of this Decree, to protection from contribution actions or claims to the extent available under New Jersey law. The matters addressed in this Decree are all response actions taken and to be taken by the Plaintiffs and private parties and all response costs incurred and to be incurred by the Plaintiffs and private parties at or in connection with the Site, and all natural resource damages incurred at the Site or as a result of the discharge of contaminants from the Site. The matters addressed in this Decree do not include those response costs or response

actions as to which Plaintiffs have reserved their rights under this Decree (except for claims for failure to comply with this Decree), in the event the United States or the State Plaintiffs assert rights against Settling Defendants coming within the scope of such reservations.

b. If Waste Management is held, by a court of competent jurisdiction, to be a successor to any Settling Defendant(s), Waste Management, in return for its agreement not to pursue, and to dismiss with prejudice any claim(s) for indemnification arising from its purchase of J. Filiberto Sanitation, Inc., pursuant to Paragraph 45, shall be entitled to protection from contribution actions or claims, as provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. 9613(f)(2) and 9622(g)(5), and to the extent available under New Jersey law, equal to the amount of the payment(s) made by that (those) Settling Defendant(s) pursuant to this Decree.

32. Upon payment, by the Settling Defendants, of all amounts required under Section VI, the United States and the State Plaintiffs shall promptly release any lien(s) filed against the Settling Defendants in relation to the Site.

33. Settling Defendants agree that, with respect to any suit or claim for contribution brought by them for matters related to this Decree, they will notify EPA, the Department of Justice and the State Plaintiffs in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendants also agree that, with respect to any suit or claim for contribution brought against them for matters related to this Decree, they will notify EPA, the Department of Justice and the State Plaintiffs in writing within 10 days of service of the complaint or claim upon them. In addition, Settling Defendants shall notify EPA, the Department of Justice and the State Plaintiffs within 10 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Decree.

34. In any subsequent administrative or judicial proceeding initiated by the United States or the State Plaintiffs for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, the entire controversy doctrine, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State Plaintiffs in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants Not to Sue by United States and State Plaintiffs set forth in Section VIII and by Settling Defendants set forth in Section X.

XII. RETENTION OF RECORDS AND CERTIFICATION

35. Retention of Records and Certification.

a. Until 6 years after the entry of this Consent Decree, Settling Defendants shall preserve and retain all records now in their possession or control, or which come into their possession or control, that relate in any manner to response actions taken at the Site or the liability of any person under CERCLA with respect to the Site, regardless of any corporate retention policy

to the contrary. This Paragraph does not apply to any documents provided to the Settling Defendants by other parties pursuant to the Court ordered Alternative Dispute Resolution process in this litigation.

b. After the conclusion of the document retention period in the preceding paragraph, Settling Defendants shall notify EPA, DOJ and the State Plaintiffs at least 90 days prior to the destruction of any such records, and, upon request by EPA, DOJ, or the State Plaintiffs, Settling Defendants shall deliver any such records to EPA or the State Plaintiffs. Settling Defendants may assert that certain records are privileged under the attorney-client privilege or any other privilege recognized by federal law. If Settling Defendants assert such a privilege, they shall provide Plaintiffs with the following: 1) the title of the record; 2) the date of the record; 3) the name and title of the author of the record; 4) the name and title of each addressee and recipient; 5) a description of the subject of the record; and 6) the privilege asserted. However, no records created or generated pursuant to the requirements of this or any other settlement with the United States or the State Plaintiffs shall be withheld on the grounds that they are privileged.

c. Settling Defendants hereby certify that, to the best of their knowledge and belief, after thorough inquiry, they have:

i. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, reports, or other information relating to their potential liability regarding the Site since the filing of suit against them regarding the Site, and that each has fully complied with any and all requests for information regarding the Site and Settling Defendants' financial circumstances pursuant to Sections 104(c) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927; and

ii. submitted to EPA, DOJ and/or the State Plaintiffs Financial Information that fairly, accurately, and materially sets forth their financial circumstances, and that those circumstances have not materially changed between the time the Financial Information was submitted and the time Settling Defendants execute this Consent Decree.

XIII. NOTICES AND SUBMISSIONS

36. Whenever, under the terms of this Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Written notice as specified herein shall constitute complete satisfaction of any written notice requirement of the Decree with respect to the United States, EPA, the Department of Justice, the State Plaintiffs and Settling Defendants, respectively.

XIV. RETENTION OF JURISDICTION

37. This Court shall retain jurisdiction over this matter for the purpose of interpreting and enforcing the terms of this Decree.

XV. INTEGRATION/APPENDICES

38. This Decree and its appendices constitute the final, complete and exclusive Decree and understanding between the Parties with respect to the settlement embodied in this Decree. The Parties acknowledge that there are no representations, agreements or understandings relating to the settlement other than those expressly contained in this Decree. XVI. LODGING, OPPORTUNITY FOR PUBLIC COMMENT & BAR ORDER

39. This Decree shall be lodged with the Court for a period of not less than 30 days for public notice and comment. The United States reserves the right to withdraw or withhold consent if the comments regarding the Decree disclose facts or considerations which indicate that this Decree is inappropriate, improper, or inadequate. In the event of withdrawal by the United States from this Decree, the State Plaintiffs reserve the right to withdraw as well. Settling Defendants and Waste Management consent to the entry of this Decree without further notice, and agree not to oppose entry of the Decree.

40. If for any reason this Court should decline to approve this Decree in the form presented, or an Appellate Court of competent jurisdiction shall overturn entry, this Decree is voidable at the sole discretion of the United States, State Plaintiffs and/or the Settling Defendants, and the terms of the Decree may not be used as evidence in any litigation between the Parties and all rights of the Parties prior to lodging of the Decree shall be deemed to be in effect. In the event this Decree is voided pursuant to this paragraph, all monies paid by the Settling Defendants pursuant to Section VI (Escrow and Payment of Response Costs), or held in escrow, shall be returned within a reasonable time.

41. Entry of this Decree is contingent upon an affirmative ruling by the Court on the order submitted by Settling Defendants resolving all their liability with respect to the Site ("Order"), subject only to the reservations contained herein. If entry of the Order is subsequently overturned by an Appellate Court of competent jurisdiction, this Decree shall be voidable at the sole discretion of the United States and/or Settling Defendants. If the Decree is voided pursuant to this paragraph, the terms of the Decree may not be used as evidence in any litigation between the Parties and all rights of the Parties prior to lodging shall be deemed to be in effect. In the event this Decree is voided pursuant to this paragraph, all monies paid by the Settling Defendants pursuant to Section VI (Escrow and Payment of Response Costs), or held in escrow, shall be returned within a reasonable time.

44. Each Settling Defendant shall identify, on the attached signature page, the name and address of an agent who is authorized to accept service of process by mail on its behalf with respect to all matters arising under or relating to this Decree. Each Settling Defendant hereby agrees to accept service in that manner and to waive the formal service requirements set forth in Rule 4 of the Federal Rules of Civil Procedure and any applicable local rules of this Court, including but not limited to, service of a summons. This Decree may be signed in counterparts.

45. Waste Management agrees not to pursue, and to dismiss with prejudice, any claim(s) for indemnification arising from the Plan of Reorganization and Agreement for the Exchange of Stock of Waste Management, Inc. for the assets of J. Filiberto Sanitation, Inc.

XIX. FINAL JUDGMENT

46. Upon approval and entry of this Decree by the Court, this Decree shall constitute the final judgment between and among the United States, the State Plaintiffs, and the Settling Defendants.
